Dear Supervisors:

ADOPTED

BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES

49 November 15, 2011

Sachi A. Hamai
SACHI A. HAMAI
EXECUTIVE OFFICER

ISSUANCE AND SALE OF PARAMOUNT UNIFIED SCHOOL DISTRICT GENERAL OBLIGATION BONDS, 2006 ELECTION, SERIES 2011 (FOURTH DISTRICT) (3 VOTES)

SUBJECT

The governing board of the Paramount Unified School District (the "District") has requested that the County issue general obligation bonds on its behalf in an aggregate principal amount not to exceed \$35,000,000. The bonds were authorized by a vote of the qualified electors of the District and will be issued to finance capital improvements for various school facilities. The repayment of the bonds will be funded from ad valorem taxes levied on all taxable property within the District.

IT IS RECOMMENDED THAT YOUR BOARD:

Adopt the resolution authorizing the issuance and sale of the Paramount Unified School District (Los Angeles County, California) General Obligation Bonds, 2006 Election, Series 2011.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On November 7, 2006, voters residing in the District approved a ballot measure authorizing the District to issue up to \$100,000,000 in general obligation bonds to fund various capital improvements. The governing board of the District adopted a resolution on October 26, 2011, and determined that the District needs to borrow funds in an aggregate principal amount not to exceed \$35,000,000 to be used for authorized purposes. This will be the second issuance of bonds authorized under this ballot proposition.

Pursuant to Article 4.5 of Chapter 3 of Part 1 of Division 2 of Title 5 of the California Government

Code, the District has requested the County to issue general obligation bonds on its behalf. As the result of a Qualified Interim Report issued by the Los Angeles County Office of Education, the District is prohibited from being the issuer of its own general obligation bonds.

Implementation of Strategic Plan Goals

This action supports the County's Strategic Plan Goal #1: Operational Effectiveness through collaborative actions among County departments and other governmental jurisdictions to provide investment in public school infrastructure within the County.

FISCAL IMPACT/FINANCING

There will be no fiscal impact to the County budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The resolution provides for the issuance of bonds at an interest rate not to exceed the maximum rate permitted by law. The final structure of the bonds will be determined at the time of pricing to achieve the lowest cost of financing within the tax levy limits of the proposition. The term of the bonds will not exceed forty (40) years.

The District is recommending a negotiated sale of the bonds to the underwriter, with participation by the Treasurer and Tax Collector in pricing the bonds. The District has selected Piper Jaffray & Co. as underwriter, California Financial Services as financial advisor, and the firm of Orrick Herrington & Sutcliffe as bond counsel. The Treasurer and Tax Collector will appoint U.S. Bank National Association as paying agent.

The County will annually levy and collect ad valorem taxes for the repayment of the bonds on behalf of the District.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

Not applicable.

CONCLUSION

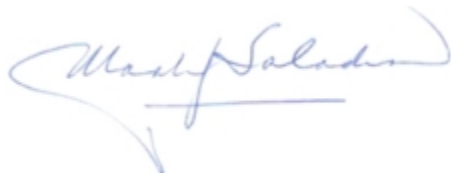

Upon approval, it is requested that the Executive Officer-Clerk of the Board of Supervisors return two originally executed copies of the adopted resolution to the Treasurer and Tax Collector (Office of Public Finance).

The Honorable Board of Supervisors

on a business day) to such Owner at such Owner's address as it appears on the Registration Books or at such address as any such Owner may have filed with the Paying Agent for that purpose, except that the payment shall be made by wire transfer of immediately available funds to any Owner of at least \$1,000,000 of outstanding Current Interest Bonds or Convertible Capital Appreciation Bonds after the Conversion Date who shall have requested in writing such method of payment of interest prior to the close of business on the Record Date immediately preceding any Interest Date.

The Bond Purchase Agreement may provide that no municipal bond insurance policy shall be obtained.

Section 8. Redemption Provisions. (a) *Optional Redemption.* The Series 2011 Bonds may be subject to redemption, at the option of the District, on the dates and terms as shall be designated in the Bond Purchase Agreement. The Bond Purchase Agreement may provide that the Series 2011 Bonds shall not be subject to optional redemption, and may provide separate and distinct redemption provisions for the Current Interest Bonds, the Capital Appreciation Bonds and the Convertible Capital Appreciation Bonds. If less than all of the Series 2011 Bonds (Current Interest Bonds, Capital Appreciation Bonds or Convertible Capital Appreciation Bonds, as applicable), if any, are subject to such redemption and are called for redemption, such Series 2011 Bonds shall be redeemed in inverse order of maturities or as otherwise directed by the District, and if less than all of the Series 2011 Bonds of any given maturity are called for redemption, the portions of such bonds of a given maturity to be redeemed shall be determined by lot.

(b) *Mandatory Sinking Fund Redemption.* The Current Interest Bonds, if any, which are designated in the Bond Purchase Agreement as Current Interest Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. The principal amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Current Interest Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Current Interest Bonds shall not be subject to mandatory sinking fund redemption.

The Capital Appreciation Bonds, if any, which are designated in the Bond Purchase Agreement as Capital Appreciation Term Bonds shall also be subject to redemption prior to their

stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. The amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Capital Appreciation Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Capital Appreciation Bonds shall not be subject to mandatory sinking fund redemption.

The Convertible Capital Appreciation Bonds, if any, which are designated in the Bond Purchase Agreement as Convertible Capital Appreciation Term Bonds shall also be subject to redemption prior to their stated maturity dates, without a redemption premium, in part by lot, from mandatory sinking fund payments in the amounts and in accordance with the terms to be specified in the Bond Purchase Agreement. The amount of each mandatory sinking fund payment of any maturity shall be reduced proportionately by the amount of any Convertible Capital Appreciation Bonds of that maturity optionally redeemed in accordance with the provisions hereof prior to the mandatory sinking fund payment date. The Bond Purchase Agreement may provide that the Convertible Capital Appreciation Bonds shall not be subject to mandatory sinking fund redemption.

(c) *Notice of Redemption.* Notice of any redemption of the Series 2011 Bonds shall be mailed by the Paying Agent, postage prepaid, not less than 30 nor more than 60 days prior to the redemption date (i) by first class mail to the County and the respective Owners thereof at the addresses appearing on the Registration Books, and (ii) as may be further required in accordance with the Continuing Disclosure Certificate.

Each notice of redemption shall state (i) the date of such notice, (ii) the name of the Series 2011 Bonds and the date of issue of the Series 2011 Bonds and the type (Current Interest Bonds, Capital Appreciation Bonds or Convertible Capital Appreciation Bonds) of Series 2011 Bonds to be redeemed, (iii) the redemption date, (iv) the redemption price, (v) the dates of maturity of the Series 2011 Bonds to be redeemed, and (vi) if less than all of the Series 2011 Bonds of any maturity are to be redeemed, the distinctive numbers of the Series 2011 Bonds of each maturity to be redeemed, (vii) in the case of Series 2011 Bonds redeemed in part only, the respective portions of the principal amount or accreted value of the Series 2011 Bonds of each maturity to be redeemed, (viii) the CUSIP number, if any, of each maturity of Series 2011 Bonds to be redeemed, (ix) a statement that such Series 2011 Bonds must be surrendered by the Owners at the principal corporate trust office of the Paying Agent, or at such other place or places designated by the Paying Agent; and (x) notice that further interest on such Series 2011 Bonds will not accrue after the designated redemption date.

(d) *Effect of Notice.* A certificate of the Paying Agent that notice of redemption has been given to Owners as herein provided shall be conclusive as against all parties. Neither the failure to receive the notice of redemption as provided in this Section, nor any defect in such notice shall affect the sufficiency of the proceedings for the redemption of the Series 2011 Bonds or the cessation of interest on the date fixed for redemption.

When notice of redemption has been given substantially as provided for herein, and when the redemption price of the Series 2011 Bonds called for redemption is set aside for the purpose

as described in subsection (f) of this Section, the Series 2011 Bonds designated for redemption shall become due and payable on the specified redemption date and interest shall cease to accrue thereon as of the redemption date, and upon presentation and surrender of such Series 2011 Bonds at the place specified in the notice of redemption, such Series 2011 Bonds shall be redeemed and paid at the redemption price thereof out of the money provided therefor. The Owners of such Series 2011 Bonds so called for redemption after such redemption date shall be entitled to payment thereof only from the interest and sinking fund or the trust fund established for such purpose. All Series 2011 Bonds redeemed shall be cancelled forthwith by the Paying Agent and shall not be reissued.

(e) *Right to Rescind Notice.* The District may rescind any optional redemption and notice thereof for any reason on any date prior to the date fixed for redemption by causing written notice of the rescission to be given to the Owners of the Series 2011 Bonds so called for redemption. Any optional redemption and notice thereof shall be rescinded if for any reason on the date fixed for redemption moneys are not available in the interest and sinking fund or otherwise held in trust for such purpose in an amount sufficient to pay in full on said date the principal or accreted value of, interest, and any premium due on the Series 2011 Bonds called for redemption. Notice of rescission of redemption shall be given in the same manner in which notice of redemption was originally given. The actual receipt by the Owner of any Series 2011 Bond of notice of such rescission shall not be a condition precedent to rescission, and failure to receive such notice or any defect in such notice shall not affect the validity of the rescission.

(f) *Funds for Redemption.* Prior to or on the redemption date of any Series 2011 Bonds there shall be available in the interest and sinking fund of the District, or held in trust for such purpose as provided by law, monies for the purpose and sufficient to redeem, at the redemption prices as in this County Resolution provided, the Series 2011 Bonds designated in the notice of redemption. Such monies shall be applied on or after the redemption date solely for payment of principal and accreted value of, interest and premium, if any, on the Series 2011 Bonds to be redeemed upon presentation and surrender of such Series 2011 Bonds, provided that all monies in the interest and sinking fund of the District shall be used for the purposes established and permitted by law. Any interest due on or prior to the redemption date shall be paid from the interest and sinking fund of the District, unless otherwise provided to be paid from such monies held in trust. If, after all of the Series 2011 Bonds have been redeemed and cancelled or paid and cancelled, there are monies remaining in the interest and sinking fund of the District or otherwise held in trust for the payment of redemption price of the Series 2011 Bonds, the monies shall be held in or returned or transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; provided, however, that if the monies are part of the proceeds of bonds of the District, the monies shall be transferred to the fund created for the payment of principal and accreted value of and interest on such bonds. If no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

(g) *Defeasance of Bonds.* If at any time the District shall pay or cause to be paid or there shall otherwise be paid to the Owners of any or all of the outstanding Series 2011 Bonds all or any part of the principal, accreted value, interest and premium, if any, on the Series 2011 Bonds at the times and in the manner provided herein and in the Series 2011 Bonds, or as provided in the following paragraph, or as otherwise provided by law consistent herewith, then

such Owners shall cease to be entitled to the obligation of the District as provided in Section 7 hereof, and such obligation and all agreements and covenants of the District and of the County to such Owners hereunder and under the Series 2011 Bonds shall thereupon be satisfied and discharged and shall terminate, except only that the District shall remain liable for payment of all principal, accreted value, interest and premium, if any, represented by the Series 2011 Bonds, but only out of monies on deposit in the interest and sinking fund or otherwise held in trust for such payment; and provided further, however, that the provisions of subsection (h) of this Section shall apply in all events.

For purposes of this Section, the District may pay and discharge any or all of the Series 2011 Bonds by depositing in trust with the Paying Agent or an escrow agent, selected by the District with the approval of the County, at or before maturity, money or non-callable direct obligations of the United States of America (including zero interest bearing State and Local Government Series) or other non-callable obligations the payment of the principal of and interest on which is guaranteed by a pledge of the full faith and credit of the United States of America, in an amount which will, together with the interest to accrue thereon and available monies then on deposit in the interest and sinking fund of the District, be fully sufficient to pay and discharge the indebtedness on such Series 2011 Bonds (including all principal and accreted value, interest and redemption premiums) at or before their respective maturity dates.

(h) *Unclaimed Monies.* Any money held in any fund created pursuant to this County Resolution, or by the Paying Agent or an escrow agent in trust, for the payment of the principal or accreted value of, redemption premium, if any, or interest on the Series 2011 Bonds and remaining unclaimed for one year after the principal and accreted value of all of the Series 2011 Bonds has become due and payable (whether by maturity or upon prior redemption) shall be transferred to the interest and sinking fund of the District for payment of any outstanding bonds of the District payable from such fund; or, if no such bonds of the District are at such time outstanding, the monies shall be transferred to the general fund of the District as provided and permitted by law.

Section 9. Paying Agent. (a) *Appointment; Payment of Fees and Expenses.* This Board of Supervisors does hereby consent to and confirm the appointment of the Treasurer to act as the Paying Agent for the Series 2011 Bonds. The Treasurer is hereby authorized to contract with any third party to perform the services of Paying Agent under this resolution. All fees and expenses of the Paying Agent shall be the sole responsibility of the District, and to the extent not paid from the proceeds of sale of the Series 2011 Bonds, or from the interest and sinking fund of the District, insofar as permitted by law, including specifically by Section 15232 of the California Education Code, such fees and expenses shall be paid by the District.

(b) *Resignation, Removal and Replacement of Paying Agent.* The Paying Agent initially appointed or any successor Paying Agent may resign from service as Paying Agent and may be removed at any time by the Treasurer as provided in the Paying Agent's service agreement. Without further action by the District, if at any time the Paying Agent shall resign or be removed, the Treasurer shall appoint a successor Paying Agent, which shall be any bank, trust company, national banking association or other financial institution doing business in and having a corporate trust office in Los Angeles or San Francisco, California, with at least \$100,000,000 in net assets.

(c) *Principal Corporate Trust Office.* Unless otherwise specifically noted, any reference herein to the Paying Agent shall initially mean the Treasurer and his designated agents or his successors or assigns, acting in the capacity of paying agent, registrar, authenticating agent and transfer agent, and any reference herein to the “principal corporate trust office” of the Paying Agent for purposes of transfer, registration, exchange, payment and surrender of the Series 2011 Bonds shall initially mean the office of the Treasurer; provided, however, that in the event that “Paying Agent” shall refer to any successor paying agent, bond registrar, authenticating agent or transfer agent for the Series 2011 Bonds, “principal corporate trust office” shall include the principal corporate trust office or other office of such successor Paying Agent designated thereby for a particular purpose.

(d) *Registration Books.* The Paying Agent shall keep or cause to be kept at its principal corporate trust office sufficient books for the registration and transfer of the Series 2011 Bonds, which shall at all times be open to inspection by the District and the County, and, upon presentation for such purpose, the Paying Agent shall, under such reasonable regulations as it may prescribe, register or transfer or cause to be registered or transferred on the Registration Books, Series 2011 Bonds as provided in Section 10 and 11 hereof. The Paying Agent shall keep accurate records of all funds administered by it and of all Series 2011 Bonds paid and discharged by it. Such records shall be provided, upon reasonable request, to the County in a format mutually agreeable to the Paying Agent and the County.

Section 10. Transfer Under Book-Entry System; Discontinuation of Book-Entry System. (a) Unless otherwise specified in the Bond Purchase Agreement, DTC is hereby appointed depository for the Series 2011 Bonds. The Series 2011 Bonds shall be issued in book-entry form only, and shall be initially registered in the name of “Cede & Co.,” as nominee of DTC. One bond certificate shall be issued for each maturity of the Current Interest Bonds, one bond certificate shall be issued for each maturity of the Capital Appreciation Bonds and one bond certificate shall be issued for each maturity of the Convertible Capital Appreciation Bonds; provided, however, that if different CUSIP numbers are assigned to Series 2011 Bonds of the same tenor maturing in a single year or, if Series 2011 Bonds of the same tenor maturing in a single year are issued with different interest rates, additional bond certificates shall be prepared for each such maturity. Registered ownership of such Series 2011 Bonds, or any portion thereof, may not thereafter be transferred except as provided in this Section or Section 11 hereof:

(i) To any successor of DTC, or its nominee, or to any substitute depository designated pursuant to clause (ii) of this Section (a “substitute depository”); provided, however that any successor of DTC, as nominee of DTC or substitute depository, shall be qualified under any applicable laws to provide the services proposed to be provided by it;

(ii) To any substitute depository not objected to by the District or the County, upon (1) the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository, or (2) a determination by the County (upon consultation with the District) to substitute another depository for DTC (or its successor) because DTC or its successor (or any substitute depository or its successor) is no longer able to carry out its functions as depository; provided, that any such substitute depository shall be

qualified under any applicable laws to provide the services proposed to be provided by it; or

(iii) To any person as provided below, upon (1) the resignation of DTC or its successor (or substitute depository or its successor) from its functions as depository; provided that no substitute depository which is not objected to by the County can be obtained, or (2) a determination by the County (upon consultation with the District) that it is in the best interests of the County to remove DTC or its successor (or any substitute depository or its successor) from its functions as depository.

(b) In the case of any transfer pursuant to clause (i) or clause (ii) of subsection (a) of this Section, upon receipt of the outstanding Series 2011 Bonds by the Paying Agent, together with a written request of the District or County to the Paying Agent, a new Series 2011 Bond for each maturity shall be executed and delivered (in the case of Current Interest Bonds, in the aggregate principal amount of such Current Interest Bonds then outstanding, and in the case of Capital Appreciation Bonds, in the aggregate maturity value of such Capital Appreciation Bonds then outstanding, in the case of Convertible Capital Appreciation Bonds, in the aggregate accreted value at the Conversion Date of such Convertible Capital Appreciation Bonds then outstanding), registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the District or County. In the case of any transfer pursuant to clause (iii) of subsection (a) of this Section, upon receipt of the outstanding Series 2011 Bonds by the Paying Agent together with a written request of the District or County to the Paying Agent, new Series 2011 Bonds shall be executed and delivered in such denominations, numbered in the manner determined by the Paying Agent, and registered in the names of such persons, as are requested in such written request of the District or County, subject to the limitations of Section 6 and the receipt of such a written request of the District or County, and thereafter, the Series 2011 Bonds shall be transferred pursuant to the provisions set forth in Section 11 hereof; provided, however, that the Paying Agent shall not be required to deliver such new Series 2011 Bonds within a period of less than 60 days after the receipt of any such written request of the District or County.

(c) In the case of partial redemption or an advance refunding of the Series 2011 Bonds evidencing all or a portion of the principal amount or accreted value then outstanding, DTC shall make an appropriate notation on the Series 2011 Bonds indicating the date and amounts of such reduction in principal or accreted value.

(d) The County, the District and the Paying Agent shall be entitled to treat the person in whose name any Series 2011 Bond is registered as the owner thereof, notwithstanding any notice to the contrary received by the County, the District or the Paying Agent; and the County, the District and the Paying Agent shall have no responsibility for transmitting payments to, communicating with, notifying, or otherwise dealing with any beneficial owners of the Series 2011 Bonds, and none of the County, the District or the Paying Agent shall have any responsibility or obligation, legal or otherwise, to the beneficial owners or to any other party, including DTC or its successor (or substitute depository or its successor), except for the Owner of any Series 2011 Bonds.

(e) So long as the outstanding Series 2011 Bonds are registered in the name of Cede & Co. or its registered assigns, the District, the County and the Paying Agent shall cooperate with Cede & Co., as sole registered Owner, or its registered assigns in effecting payment of the principal or accreted value of, premium, if any, and interest on the Series 2011 Bonds by arranging for payment in such manner that funds for such payments are properly identified and are made immediately available on the date they are due.

Section 11. Transfer and Exchange. (a) *Transfer.* Following the termination or removal of DTC or successor depository pursuant to Section 10 hereof, any Series 2011 Bond may, in accordance with its terms, be transferred, upon the Registration Books, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2011 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed written instrument of transfer in a form approved by the Paying Agent.

Whenever any Series 2011 Bond or Series 2011 Bonds shall be surrendered for transfer, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5 hereof, a new Series 2011 Bond or Series 2011 Bonds, of the same maturity, Interest Date, interest payment mode and interest rate (in the case of Current Interest Bonds, for a like aggregate principal amount, in the case of Capital Appreciation Bonds, for a like aggregate maturity value and, in the case of Convertible Capital Appreciation Bonds, for a like aggregate accreted value at the Conversion Date). The Paying Agent may require the payment by any Owner of Series 2011 Bonds requesting any such transfer of any tax or other governmental charge required to be paid with respect to such transfer.

No transfer of any Series 2011 Bond shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2011 Bonds for redemption, and (ii) after any Series 2011 Bond has been selected for redemption.

(b) *Exchange.* The Series 2011 Bonds may be exchanged for Series 2011 Bonds of other authorized denominations of the same maturity, interest payment mode and Interest Date, by the Owner thereof, in person or by the duly authorized attorney of such Owner, upon surrender of such Series 2011 Bond to the Paying Agent for cancellation, accompanied by delivery of a duly executed request for exchange in a form approved by the Paying Agent.

Whenever any Series 2011 Bond or Series 2011 Bonds shall be surrendered for exchange, the designated County officials shall execute and the Paying Agent shall authenticate and deliver, as provided in Section 5 hereof, a new Series 2011 Bond or Series 2011 Bonds of the same maturity and interest payment mode and interest rate (in the case of Current Interest Bonds, for a like aggregate principal amount, in the case of Capital Appreciation Bonds, for a like aggregate maturity value and in the case of Convertible Capital Appreciation Bonds, for a like aggregate accreted value at the Conversion Date). The Paying Agent may require the payment by the Owner requesting such exchange of any tax or other governmental charge required to be paid with respect to such exchange.

No exchange of any Series 2011 Bonds shall be required to be made by the Paying Agent (i) during the period established by the Paying Agent for selection of the Series 2011 Bonds for redemption, and (ii) after any Series 2011 Bond has been selected for redemption.

Section 12. Sale of Bonds; Bond Purchase Agreement. The Bond Purchase Agreement submitted to and on file with the Executive Officer-Clerk of this Board of Supervisors providing for the sale by this Board of Supervisors and the purchase by the Underwriter of the Series 2011 Bonds at a purchase price to be set forth therein (which purchase price shall be approved by the Treasurer, this Board of Supervisors hereby expressly delegating to such officer the authority to execute the Bond Purchase Agreement on its behalf), is hereby approved; provided, however, that (a) the true interest cost for the Series 2011 Bonds shall not exceed 8.00% (b) the interest rate on the Current Interest Bonds and, from and after their Conversion Date, the Convertible Capital Appreciation Bonds, shall not exceed 12.00% per annum, (c) the Capital Appreciation Bonds and, to their Conversion Dates, the Convertible Capital Appreciation Bonds, shall accrete in value to their maturity values at a compounded interest rate not to exceed 12.00% per annum, (d) the minimum purchase price for the Series 2011 Bonds shall be not less than the aggregate initial principal amount thereof, (e) the Underwriter's discount for the sale of the Series 2011 Bonds shall not exceed 1.25% of the initial principal amount of the Series 2011 Bonds, exclusive of any costs of issuance the Underwriter contracts to pay, and (f) the Series 2011 Bonds shall otherwise conform to the limitations specified herein.

The Bond Purchase Agreement shall recite (a) the aggregate initial principal amount of the Series 2011 Bonds, (b) which Series 2011 Bonds, if any, are Current Interest Bonds and, with respect thereto, the date thereof, the maturity dates, principal amounts and annual rates of interest of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any, (c) which Series 2011 Bonds, if any, are Capital Appreciation Bonds and, with respect thereto, the date thereof, the initial principal amounts, maturity dates, and maturity values of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any, and (d) which Series 2011 Bonds, if any, are Convertible Capital Appreciation Bonds and, with respect thereto, the date thereof, the initial principal amounts, Conversion Dates, maturity dates, and accreted value at the Conversion Date of each maturity thereof, the initial and semiannual Interest Dates thereof, and the terms of optional and mandatory sinking fund redemption thereof, if any.

The Treasurer (or an authorized deputy or delegate of the Treasurer) is hereby authorized and directed to accept the offer of the Underwriter when the offer is satisfactory to the Treasurer, and to execute and deliver the Bond Purchase Agreement on behalf of the County in substantially the form now on file with this Board of Supervisors, with such changes therein as shall be approved by the authorized officer of the County executing the same, and such execution shall constitute conclusive evidence of the Treasurer's approval and the Board of Supervisors' approval of any change therein from the form of such Bond Purchase Agreement.

Section 13. Application of Proceeds. On the Closing Date (a) certain of the proceeds from the sale of the Series 2011 Bonds, in the amount specified in the Bond Purchase Agreement, shall be delivered to the Series A Notes Trustee for deposit in the Note Fund established under the Series A Notes Indenture, to be applied to the payment of the Series A Notes on their maturity date, and (b) certain of the proceeds of the Series 2011 Bonds, in the amount specified in the Bond Purchase Agreement, which amount shall not exceed 2.00% of the initial principal amount of the Series 2011 Bonds, shall be delivered to the costs administrator identified as such in the Bond Purchase Agreement, for deposit in a costs of issuance account.

Section 14. Tax Covenant. The County acknowledges and relies upon the fact that the District has represented and covenanted that it will not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series 2011 Bonds under Section 103 of the Code, and that it will comply with the requirements of the Tax Certificate, and further that such representation and covenant shall survive payment in full or defeasance of the Series 2011 Bonds.

Section 15. Continuing Disclosure Certificate. The County acknowledges and relies upon the fact that the District has represented that it shall execute the Continuing Disclosure Certificate containing such covenants of the District as shall be necessary to comply with the requirements of Securities and Exchange Commission Rule 15c2-12. The County acknowledges and relies upon the fact that the District has covenanted that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The County shall have no obligations under the Continuing Disclosure Certificate and no responsibility for the District's compliance with the Continuing Disclosure Certificate.

Section 16. Official Statement. Neither the Board of Supervisors nor any officer of the County has prepared or reviewed the Preliminary Official Statement or the Official Statement, and the Board of Supervisors and the various officers of the County take no responsibility for the contents or distribution thereof; provided, however, that solely with respect to a section contained or to be contained therein describing the County's current portfolio holdings as they may relate to funds of the District, the Treasurer is hereby authorized and directed to prepare and review such information for inclusion in the Preliminary Official Statement and the Official Statement, and to certify to the District prior to or upon the issuance of the Series 2011 Bonds that the information contained in such section does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they are made, not misleading.

On behalf of the Paramount Unified School District, County of Los Angeles, State of California (the "District"), the County of Los Angeles (the "County") hereby acknowledges itself obligated to and promises to pay, but only from taxes collected by the County for such purpose pursuant to Section 15250 of the California Education Code, on the Maturity Date specified above or upon prior redemption hereof, in lawful money of the United States of America, the accreted value hereof on such date, consisting of the Initial Principal Amount hereof plus interest accrued thereon to such date, commencing on the date hereof, compounded on February 1 and August 1 of each year commencing on February 1, 2012, at the Interest Rate specified above, assuming in any such semiannual period that such interest accretes in equal daily amounts on the basis of a 360-day year of twelve 30-day months, until the obligation represented hereby shall have been discharged, as provided in the Resolution adopted by the Board of Supervisors of the County on _____, 2011 (the "County Resolution"). The accreted value hereof shall be determined in accordance with the County Resolution and as reflected in the Table of Accreted Values hereinafter set forth; provided, however, that any accreted value determined in accordance with the County Resolution shall prevail over any accreted values given in the Table of Accreted Values. Capitalized undefined terms used herein have the meanings ascribed thereto in the County Resolution.

The accreted value hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the authenticating agent, bond registrar, transfer agent and paying agent for the Bonds (the "Paying Agent"), initially U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying numbers, denominations, interest rates or yields, interest payment modes, maturities and redemption provisions), in the aggregate initial principal amount of \$ _____, and designated as "Paramount Unified School District General Obligation Bonds, Election of 2006, Series 2011" (the "Bonds"). The Capital Appreciation Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 accreted value at maturity (the "maturity value") or any integral multiple thereof, except that the first numbered Bond may be issued in a denomination such that the maturity value of such Bond shall not be in an integral multiple of \$5,000, and provided that no Capital Appreciation Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the County Resolution, Bonds may be exchanged for a like aggregate maturity value of Bonds of the same interest payment mode, and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the County Resolution, and upon surrender and cancellation of this Bond. Initial Principal Amount: _____ DOLLARS

Accreted Value at Conversion Date: _____ DOLLARS

On behalf of the Paramount Unified School District, County of Los Angeles, State of California (the "District"), the County of Los Angeles (the "County") hereby acknowledges itself obligated to and promises to pay, but only from taxes collected by the County for such purpose pursuant to Section 15250 of the California Education Code, on the Maturity Date specified above or upon prior redemption hereof, in lawful money of the United States of America, the accreted value hereof on such date, consisting of the Initial Principal Amount hereof plus interest accrued thereon to the Conversion Date specified above, commencing on the date hereof, compounded on February 1 and August 1 of each year commencing on February 1, 2012, at the Interest Rate per annum specified above, assuming in any such semiannual period that such interest accrues in equal daily amounts on the basis of a 360-day year of twelve 30-day months, and from and after said Conversion Date to pay interest on said accreted value as of said Conversion Date in like lawful money from the interest payment date next preceding the date of authentication of this Bond (unless this bond is authenticated as of a date during the period from the Record Date (as defined herein) next preceding any interest payment date to such interest payment date, inclusive, in which event from such interest payment date) at the Interest Rate per annum stated above, payable commencing on the February 1 or August 1 first following said Conversion Date, and thereafter on February 1 and August 1 in each year, until the obligation represented hereby shall have been discharged, as provided in the Resolution adopted by the Board of Supervisors of the County on _____, 2011 (the "County Resolution"). The accreted value hereof shall be determined in accordance with the County Resolution and as reflected in the Table of Accreted Values hereinafter set forth; provided, however, that any accreted value determined in accordance with the County Resolution shall prevail over any accreted values given in the Table of Accreted Values. Capitalized undefined terms used herein have the meanings ascribed thereto in the County Resolution.

The accreted value hereof is payable to the Registered Owner hereof upon the surrender hereof at the principal corporate trust office of the authenticating agent, bond registrar, transfer agent and paying agent for the Bonds (the "Paying Agent"), initially U.S. Bank National Association, as agent of the Treasurer and Tax Collector of the County. The interest hereon is payable to the person whose name appears on the bond registration books of the Paying Agent as the Registered Owner hereof as of the close of business on the 15th day of the month preceding an interest payment date (the "Record Date"), whether or not such day is a business day, such interest to be paid by check or draft mailed to such Registered Owner at the owner's address as it appears on such registration books, or at such other address filed with the Paying Agent for that purpose. Upon written request, given no later than the Record Date immediately preceding an interest payment date, of the owner of Current Interest Bonds aggregating at least \$1,000,000 in accreted value as of the Conversion Date, interest will be paid by wire transfer in immediately available funds to an account maintained in the United States as specified by the Registered Owner in such request. So long as Cede & Co. or its registered assigns shall be the Registered Owner of this Bond, payment shall be made in immediately available funds as provided in the County Resolution.

This Bond is one of a duly authorized issue of bonds of like tenor (except for such variations, if any, as may be required to designate varying numbers, denominations, interest rates or yields, interest payment modes, maturities and redemption provisions), in the aggregate initial principal amount of \$_____, and designated as "Paramount Unified School District General Obligation Bonds, Election of 2006, Series 2011" (the "Bonds"). The Bonds were authorized by a vote of at least 55% of the voters voting at an election duly and legally called, held and conducted in the District on November 7, 2006. The Bonds are issued and sold by the Board of Supervisors of the County pursuant to and in strict conformity with the provisions of the Constitution and laws of the State, and of the County Resolution, and subject to the more particular terms specified in the Bond Purchase Agreement, dated as of _____, 2011, by and among Piper Jaffray & Co., the County and the District.

The Convertible Capital Appreciation Bonds are issuable as fully registered bonds without coupons in the denomination of \$5,000 accreted value at the Conversion Date or any integral multiple thereof, provided that no Convertible Capital Appreciation Bond shall have principal maturing on more than one principal maturity date. Subject to the limitations and conditions and upon payment of the charges, if any, as provided in the County Resolution, Bonds may be exchanged for a like aggregate maturity value of Bonds of the same tenor, interest payment mode, and maturity of other authorized denominations.

This Bond is transferable by the Registered Owner hereof, in person or by attorney duly authorized in writing, at the principal corporate trust office of the Paying Agent, but only in the manner, subject to the limitations and upon payment of the charges provided in the County Resolution, and upon surrender and cancellation of this Bond. Upon such transfer, a new Bond or Bonds of authorized denomination or denominations of the same interest payment mode and same aggregate maturity value will be issued to the transferee in exchange herefor.

The County, the District and the Paying Agent may treat the registered owner hereof as the absolute owner hereof for all purposes, and the County, the District and the Paying Agent shall not be affected by any notice to the contrary.

The Bonds are subject to optional and mandatory sinking fund redemption on the terms and subject to the conditions specified in the County Resolution. If this Bond is called for redemption and payment is duly provided therefor, interest shall cease to accrue hereon from and after the date fixed for redemption.

The Board of Supervisors of the County hereby certifies and declares that this Bond is in substantially the form prescribed by order of the Board of Supervisors duly made and entered on its minutes. This Bonds represent an obligation payable out of the interest and sinking fund of the District, and the money for the payment of the maturity value of this bond (or redemption price hereof upon redemption prior to maturity), shall be raised by taxation upon the taxable property of the District.

Unless this Bond is presented by an authorized representative of The Depository Trust Company, a New York corporation ("DTC"), to the Paying Agent for registration of transfer, exchange, or payment, and any Bond issued is registered in the name of Cede & Co. or in such other name as is requested by an authorized representative of DTC (and any payment is made to Cede & Co. or to such other entity as is requested by an authorized representative of DTC), ANY TRANSFER, PLEDGE, OR OTHER USE HEREOF FOR VALUE OR OTHERWISE BY OR TO ANY PERSON IS WRONGFUL inasmuch as the Registered Owner hereof, Cede & Co., has an interest herein.

This Bond shall not be entitled to any benefit under the County Resolution, or become valid or obligatory for any purpose, until the certificate of authentication and registration hereon endorsed shall have been signed by the Paying Agent.

(f) The County is not in breach of or default under any applicable law or administrative regulation of the State or any applicable judgment or decree or any loan

agreement, indenture, bond, note, resolution, agreement or other instrument to which the County is a party, which breach or default would materially adversely affect the County's ability to enter into or perform its obligations under this Bond Purchase Agreement;

(g) As of the time of acceptance hereof, to the best knowledge of the County, no action, suit, proceeding, hearing or investigation is pending in which service of process has been completed against the County or threatened against the County: (i) in any way affecting the existence of the County or in any way challenging the respective powers of the several offices or the titles of the officials of the County to such offices; or (ii) seeking to restrain or enjoin the sale, issuance or delivery of any of the Bonds, or directly contesting or affecting the validity or enforceability of the Bonds, this Bond Purchase Agreement or the County Resolution or contesting the powers of the County or its authority with respect to the Bonds, the County Resolution or this Bond Purchase Agreement; or (iii) in which a final adverse decision would declare this Bond Purchase Agreement to be invalid or unenforceable in whole or in material part;

(h) Between the date hereof and the Closing, without the prior written consent of the Underwriter, the County will not have issued in the name and on behalf of the District any bonds, notes or other obligations for borrowed money; and

(i) Any certificates signed by any officer of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter, but not by the person signing the same, as to the statements made therein.

9. Representations and Agreements of the Underwriter. The Underwriter represents to and agrees with the County and the District that, as of the date hereof and as of the date of the Closing:

(a) The Underwriter is duly authorized to execute this Bond Purchase Agreement and to take any action under this Purchase Agreement required to be taken by it.

(b) The Underwriter is in compliance with Rule G-37 of the MSRB with respect to the District, and is not prohibited thereby from acting as underwriter with respect to securities of the District.

(c) The Underwriter has, and has had, no financial advisory relationship with the District with respect to the Bonds and no investment firm controlling, controlled by or under common control with the Underwriter has or has had any such financial advisory relationship.

(d) The Underwriter has reasonably determined that the District's undertaking pursuant to Section 7(i) hereof to provide continuing disclosure with respect to the Bonds is sufficient to effect compliance with Rule 15c2-12.

10. Covenants of the County and the District. The County and the District respectively covenant and agree with the Underwriter that:

(a) The County and the District will furnish such information, execute such instruments, and take such other action in cooperation with the Underwriter if and as the Underwriter may reasonably request in order to qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations or such states and jurisdictions, *provided, however*, that the District and the County shall not be required to consent to service of process in any jurisdiction in which they are not so subject as of the date hereof;

(b) The District hereby agrees to deliver or cause to be delivered to the Underwriter, not later than the seventh (7th) business day following the date this Bond Purchase Agreement is signed, copies of a final Official Statement substantially in the form of the Preliminary Official Statement, with only such changes therein as shall have been accepted by the Underwriter and the District (such Official Statement with such changes, if any, and including the cover page and all appendices, exhibits, maps, reports and statements included therein or attached thereto, and as disseminated in its printed physical form or in electronic form in all respects materially consistent with such physical form, being herein called the "Official Statement") in such quantities as may be requested by the Underwriter in order to permit the Underwriter to comply with paragraph (b)(4) of Rule 15c2-12 and with the rules of the MSRB; provided, however, that the failure of the District to comply with this requirement due solely to the acts of the Underwriter, its counsel or agents, shall not be considered cause for the Underwriter to refuse to accept delivery of and pay for the Bonds; and

(c) Each party hereto agrees that it will notify the other parties hereto if, within the period from the date of this Bond Purchase Agreement to and including the date which is 25 days following the End of the Underwriting Period (as hereinafter defined), such party discovers any pre-existing or subsequent fact or becomes aware of the occurrence of any event, in any such case which might cause the Official Statement (as the same may have been theretofore supplemented or amended) to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If, in the written opinion of the District or counsel to the Underwriter, the preparation and publication of a supplement or amendment to the Official Statement is, as a result of such fact or event (or any other event which becomes known to the County, the District or the Underwriter during such period), necessary so that the Official Statement does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the District will, at its expense, supplement or amend the Official Statement in such a manner so that the Official Statement, as so supplemented or amended, does not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, and furnish copies of such supplement or amendment to the Underwriter in such numbers as the Underwriter may reasonably request. The District and the Underwriter agree that they will cooperate in the preparation of any such amendment or supplement. As used herein, the term "End of the Underwriting Period" means the later of such time as (i) the County delivers the Bonds to the Underwriter, or (ii) the Underwriter does not retain, directly or as a member of an

underwriting syndicate, an unsold balance of the Bonds for sale to the public. Unless the Underwriter gives notice to the contrary, the “End of the Underwriting Period” shall be deemed to be the Closing Date. Any notice delivered pursuant to this provision shall be written notice delivered to the District at or prior to the Closing Date, and shall specify a date (other than the Closing Date) to be deemed the End of the Underwriting Period.

11. Division of Responsibility Between District and County. It is specifically acknowledged and agreed by and between the District and the County that the County shall have no responsibility or liability to ensure or provide compliance with those provisions of this Bond Purchase Agreement which are to be performed solely by the District.

12. Conditions to Closing. The Underwriter has entered into this Bond Purchase Agreement in reliance upon the representations and warranties of the County and the District contained herein and the performance by the District of its obligations hereunder, both as of the date hereof and as of the date of Closing. The Underwriter’s obligations under this Bond Purchase Agreement are and shall be subject, at the option of the Underwriter, to the following further conditions at the Closing:

(a) The representations and warranties of the County and the District contained herein shall be true, complete and correct in all material respects at the date hereof and at and as of the Closing, as if made at and as of the Closing, and the statements made in all certificates and other documents delivered to the Underwriter at the Closing pursuant hereto shall be true, complete and correct in all material respects on the date of the Closing; and the County and the District shall be in compliance with each of the agreements made by each of them, respectively, in this Bond Purchase Agreement;

(b) At the time of the Closing, (i) the Official Statement, the Continuing Disclosure Certificate, this Bond Purchase Agreement, the District Resolution and the County Resolution shall be in full force and effect and shall not have been amended, modified or supplemented except as may have been agreed to in writing by the parties hereto; (ii) all actions under the Act which, in the opinion of Orrick, Herrington & Sutcliffe LLP, Los Angeles, California (“Bond Counsel”), shall be necessary in connection with the transactions contemplated hereby, shall have been duly taken and shall be in full force and effect; and (iii) the County and the District shall perform or have performed all of their respective obligations required under or specified in the District Resolution, the County Resolution, the Continuing Disclosure Certificate, or the Official Statement to be performed at or prior to the Closing;

(c) No decision, ruling or finding shall have been entered by any court or governmental authority since the date of this Bond Purchase Agreement (and not reversed on appeal or otherwise set aside), or to the best knowledge of the County or the District, is pending (in which service of process has been completed against the County or the District) or threatened (either in state or federal courts) (A) seeking to restrain or enjoin the execution, sale or delivery of any of the Bonds, (B) in any way contesting or affecting the authority for the execution, sale or delivery of the Bonds or this Bond Purchase Agreement, or (C) in any way contesting the existence or powers of the County or the District, or contesting in any way the completeness or accuracy of the Official Statement;

(d) Between the date hereof and the Closing, the investment quality, the marketability or the market price of the Bonds, or the ability of the Underwriter to enforce contracts for the sale of the Bonds at the initial offering prices set forth in the Official Statement, shall not have been materially adversely affected by reason of any of the following:

(1) legislation enacted by the Congress of the United States, or by the legislature of the State, or introduced in the Congress or recommended for passage by the President of the United States, or a decision rendered by a court of the United States or the State or by the United States Tax Court, or an order, ruling, regulation (final, temporary or proposed) or official statement issued or made:

(i) by or on behalf of the United States Treasury Department, or by or on behalf of the Internal Revenue Service or other federal or State authority, which would have the purpose or effect of changing, directly or indirectly, the federal income tax consequences or State tax consequences of interest on obligations of the general character of the Bonds in the hands of the holders thereof; or

(ii) by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, to the effect that the Bonds, or obligations of the general character of the Bonds, including any and all underlying arrangements, are not exempt from registration under the Securities Act of 1933, as amended;

(2) the declaration of war or engagement in major military hostilities by the United States or the occurrence of any other national or international emergency or calamity or crisis relating to the effective operation of the government or the financial community in the United States;

(3) the declaration of a general banking moratorium by federal, New York or State authorities having jurisdiction, or the general suspension of trading on any national securities exchange or fixing of minimum or maximum prices for trading or maximum ranges for prices for securities on any national securities exchange, whether by virtue or a determination by that exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(4) the imposition by the New York Stock Exchange, other national securities exchange, or any governmental authority, of any material restrictions not now in force with respect to the Bonds, or obligations of the general character of the Bonds, or securities generally, or the material increase of any such restrictions now in force;

(5) an order, decree or injunction of any court of competent jurisdiction, or order, filing, regulation or official statement by the Securities and Exchange Commission, or any other governmental agency having jurisdiction over the subject matter thereof, issued or made to the effect that the issuance, offering or sale of obligations of the general character of the Bonds, or the issuance, offering or sale of the Bonds, as contemplated hereby or by the Official Statement, is or would be in violation of the federal securities laws, as amended and then in effect;

(6) the withdrawal or downgrading of any rating or credit outlook of the District's outstanding indebtedness by a national rating agency; or

(7) any event occurring, or information becoming known which, in the reasonable judgment of the Underwriter, makes untrue in any material adverse respect any statement or information set forth in the Official Statement, or has the effect that the Official Statement contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements made therein, in light of the circumstances under which they were made, not misleading;

(e) At or prior to the date of the Closing, the Underwriter shall have received the following documents, in each case dated as of the Closing Date and satisfactory in form and substance to the Underwriter:

(1) An approving opinion of Bond Counsel, substantially in the form attached as Appendix __ to the Official Statement, dated the Closing Date and addressed to the County and the District;

(4) The opinion of Stradling Yocca Carlson & Rauth, a Professional Corporation, San Francisco, California, as disclosure counsel to the District ("Disclosure Counsel"), addressed to the District and the Underwriter, dated the Closing Date, to the effect that (i) the Bonds are not subject to the registration requirements of the Securities Act of 1933, as amended, and the County Resolution is exempt from qualification pursuant to the Trust Indenture Act of 1939, as amended[; provided, however, that no opinion need be expressed regarding the Insurance Policy] and (ii) based on such counsel's participation in conferences with representatives of the Underwriter, the District, the County, the Paying Agent, [the Insurer,] their respective counsel, California Financial Services, Bond Counsel and others, during which conferences the contents of the Official Statement and related matters were discussed (but with no inquiry made of other attorneys in such counsel's firm not working directly on the issuance of the Bonds who may have information material to the issue), and in reliance thereon and on the records, documents, certificates and opinions described therein, such counsel advises the District and the Underwriter, as a matter of fact and not opinion, that, during the course of its engagement as Disclosure Counsel no facts came to the attention of such counsel's attorneys rendering legal services in connection with such representation which caused such counsel to believe that the Official Statement as of its date (except for any CUSIP numbers, financial, statistical, economic, engineering or demographic data or forecasts, numbers, charts, estimates, projections, assumptions or expressions of opinion, any information about feasibility valuation, appraisals, absorption, real estate or environmental matters, or any information about litigation, Appendices __, __, __ and __, or any information about [the Insurer, the Insurance Policy,] book-entry or DTC, included or referred to therein, as to which such counsel need express no opinion or view) contained any untrue statement of a material fact or omitted to state any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(7) A tax certificate of the District in form satisfactory to Bond Counsel;

(iii) to the best knowledge of such counsel, there is no action, suit, proceeding or investigation at law or in equity before or by any court or governmental agency or body, pending (in which service of process has been completed against the District) or threatened against the District, in any way contesting or affecting the validity of the District Resolution, the Continuing Disclosure Certificate or this Bond Purchase Agreement or contesting the powers of the District to enter into or perform its obligations under such agreements;

(iv) to the best of such firm's knowledge, the issuance of the Bonds and the execution, delivery and performance of this Bond Purchase Agreement and the Continuing Disclosure Certificate do not and will not conflict with or constitute on the part of the District a breach of, or a default under, any agreement, indenture, mortgage, lease or other instrument to which the District is subject or by which it is bound or any existing State law, regulation, court order or consent decree to which the District is subject;

(v) this Bond Purchase Agreement and the Continuing Disclosure Certificate have been duly authorized, executed and delivered by the District and, assuming due authorization, execution and delivery by the other respective parties thereto, if any, such agreements constitute legal, valid and binding agreements of the District enforceable in accordance with their terms, except as the enforcement thereof may be limited by bankruptcy, insolvency or other laws affecting the enforcement of creditors' rights generally and by the application of equitable principles, if equitable remedies are sought, and by the limitations on legal remedies imposed on actions against school districts in the State; and

Section 6. Bond Purchase Agreement; Sale of Bonds. The form of Bond Purchase Agreement on file with the Clerk of the Board of Education, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Bond Purchase Agreement in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof; provided, however, that (a) the true interest cost for the Series 2011 Bonds shall not exceed 8.00%, (b) the interest rate on the Current Interest Bonds and, from and after their Conversion Date, the Convertible Capital Appreciation Bonds, shall not exceed 12.00% per annum, (c) the Capital Appreciation Bonds and, to their Conversion Dates, the Convertible Capital Appreciation Bonds, shall accrete in value to their maturity values at a maximum compounded interest rate not to exceed 12.00% per annum, (d) the minimum purchase price for the Series 2011 Bonds shall be not less than the aggregate initial principal amount thereof, (e) the Underwriter's discount for the sale of the Series 2011 Bonds shall not exceed 1.25% of the initial principal amount of the Series 2011 Bonds, exclusive of any costs of issuance the Underwriter contracts to pay, and (f) the Series 2011 Bonds shall otherwise conform to the limitations specified herein. The Board of Education hereby finds and determines that the sale of the Series 2011 Bonds at negotiated sale as contemplated herein and by the Bond Purchase Agreement will provide more flexibility in the timing of the sale, an ability to implement the sale in a shorter time period, an increased ability to structure the Series 2011 Bonds to fit the needs of particular

purchasers, and greater opportunity for the Underwriter to pre-market the Series 2011 Bonds to potential purchasers prior to the sale, all of which will contribute to the District's goal of achieving the lowest overall cost of funds. Estimates of the costs associated with the issuance of the Series 2011 Bonds, including any such costs which the Underwriter agrees to pay pursuant to the Bond Purchase Agreement, are set forth on Exhibit A attached hereto and incorporated herein.

In accordance with Section 15146(g) of the California Education Code, the Authorized Officers are each hereby authorized to cause to be deposited in a costs of issuance account, which may be held by U.S. Bank National Association, as costs administrator, proceeds of the sale of the Series 2011 Bonds (exclusive of any premium received) in an amount not exceeding 2.00% of the initial principal amount of the Series 2011 Bonds sold, as set forth in the Bond Purchase Agreement, for the purposes of paying the costs associated with the issuance of the Series 2011 Bonds.

Section 7. Continuing Disclosure Certificate. The form of Continuing Disclosure Certificate, on file with the Clerk of the Board of Education, is hereby approved, and the Authorized Officers are each hereby authorized and directed, for and in the name and on behalf of the District, to execute and deliver the Continuing Disclosure Certificate in substantially said form, with such changes therein as the Authorized Officer executing the same may require or approve, such approval to be conclusively evidenced by the execution and delivery thereof. The District hereby covenants and agrees to comply with and carry out all of the provisions of the Continuing Disclosure Certificate.

Section 8. Preliminary Official Statement. The form of Preliminary Official Statement, on file with the Clerk of the Board of Education, with such changes therein as may be approved by an Authorized Officer, is hereby approved, and the use of the Preliminary Official Statement in connection with the offering and sale of the Series 2011 Bonds is hereby authorized and approved. The Authorized Officers are each hereby authorized to certify on behalf of the District that the Preliminary Official Statement is deemed final as of its date, within the meaning of Rule 15c2-12 (except for the omission of certain final pricing, rating and related information as permitted by Rule 15c2-12).

Section 9. Official Statement. The preparation and delivery of an Official Statement, and its use by the Underwriter in connection with the offering and sale of the Series 2011 Bonds, is hereby authorized and approved. The Official Statement shall be in substantially the form of the Preliminary Official Statement with such changes, insertions and omissions as may be approved by an Authorized Officer, such approval to be conclusively evidenced by the execution and delivery thereof. The Authorized Officers are each hereby authorized and directed, for and in the name of and on behalf of the District, to execute the final Official Statement and any amendment or supplement thereto and thereupon to cause the final Official Statement and any such amendment or supplement to be delivered to the Underwriter.

Section 10. Tax Covenants. (a) The District covenants not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of the interest payable on the Series 2011 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the District hereby covenants that it will

comply with the requirements of the Tax Certificate. The provisions of this Subsection shall survive payment in full or defeasance of the Series 2011 Bonds.

(b) In the event that at any time the District is of the opinion that for purposes of this Section it is necessary or helpful to restrict or limit the yield on the investment of any monies held by the Treasurer on behalf of the District, in accordance with this Resolution or pursuant to law, the District shall so request of the Treasurer in writing, and the District shall make its best efforts to ensure that the Treasurer shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provision of this Section, if the District shall provide to the Treasurer an Opinion of Bond Counsel that any specified action required under this Section is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Series 2011 Bonds, the Treasurer may conclusively rely on such Opinion of Bond Counsel in complying with the requirements of this Section and of the Tax Certificate, and the covenants hereunder shall be deemed to be modified to that extent.

Section 11. Professional Services. Orrick, Herrington & Sutcliffe LLP shall serve as bond counsel and Stradling Yocca Carlson & Rauth, a Professional Corporation, shall serve as disclosure counsel to the District for the Series 2011 Bonds. Piper Jaffray & Co. shall serve as underwriter for the Series 2011 Bonds. California Financial Services shall serve as program manager, advisor and administrator for the Series 2011 Bonds.

Section 13. Prior Actions. All actions heretofore taken by the officers, employees and agents of the District with respect to the issuance and sale of the Series 2011 Bonds or in connection with or related to any of the actions authorized herein are hereby approved, confirmed and ratified.
